PRISCILLA M. MOULTON

B.S. in Ed., Ed.M.

Assistant to the President — Supervisor of Secretarial Studies

DEDICATION . . .

Bryant College for the past five years has had the fortunate experience of having with us one of the most capable and progressive-minded women in the Educational Field today. It is to you, MISS MOULTON, that we of the Senior Class dedicate this 1953 issue of THE LEDGER.

Miss Priscilla M. Moulton, Assistant to the President of Bryant College and Supervisor of Secretarial Studies, was graduated from Boston University School of Education from which institution she received her B.S. in Ed. and Ed.M. degrees. While at Boston University she served as assistant to the head of the Business Education Department. Miss Moulton has also taken graduate work towards her doctorate at Columbia University.

Miss Moulton became associated with Bryant College in 1948, and she has served the school and the students with a co-operative and helpful attitude.

She has taught summer sessions at Boston University and Columbia University and assisted in conducting a Harvard-Boston University course.

Because of her advanced knowledge in business activities and her highly executive ability, Miss Moulton has headed a number of business education programs and has recently conducted special courses for in-service teachers on the electric typewriter.

Being of such versatile personality, she is affiliated with the Epsilon Chapter of Delta Pi Epsilon, the national graduate business education fraternity; the Alpha Gamma Chapter of Pi Lambda Theta, national honorary fraternity for women in education; Boston University Club of Rhode Island; Boston University Women Graduates' Club; Rhode Island Business Teachers Association; State Membership chairman of Rhode Island for the United Business Education Association, business education department of NEA; State membership chairman of Rhode Island for the Eastern Business Teachers Association; and Treasurer of the Providence Plantations Branch of the American Association of University Women.

HENRY L. JACOBS
President

PRESIDENT'S MESSAGE

My Warmest Personal Wishes Go With You, 1953 Graduates:

It seems to me that your graduating class is different from the many graduating classes I have seen. You accept today's uncertainties with noteworthy calmness. Although military service is uppermost in your minds, you look unhesitatingly into the future.

Although the experience which links classroom courses with the outside world still lies ahead of you, you seem to have no doubts. You do not feel alone. Many of you have told me that you feel safer armed with a sound business education. And I am glad. Business executives are looking for graduates with your professional training. Job-wise your future looks bright.

I hope the day never goes by that you do not have some fun, that you do not enjoy life. And may your deeds reflect your deep responsibility to your family, your home, and your community.

As a cherished member of the Bryant Alumni family, come home to visit often. A warm welcome is always ready for you!

Sincerely,

A handwritten signature in dark ink, appearing to read "Henry Jacobo". The signature is fluid and cursive, with the first name "Henry" written in a more compact, stylized script and the last name "Jacobo" written in a more expansive, flowing cursive style.

1952 was the twenty-fifth anniversary of Phi Sigma Nu Fraternity, Iota Chapter, at Bryant College.

The first social affair of the year on the Bryant Campus was conducted by the thirty-five members of Phi Sigma Nu presenting the "Frosh Frolic."

The members of the fraternity worked on many helpful projects during the year. Brothers graded the lawn and painted the fence at the Meeting Street School. The picnic area that had been started during the spring at the Lakeside Children's Home was completed. The slides, swings, and other play equipment was repaired and painted.

A cake sale was held at one of the department stores in Providence to raise money for a Halloween party for unfortunate children. All the cakes, cupcakes, and cookies were made by the brothers in their apartments. The party was held with thirty youngsters playing games, watching movies, and singing.

Rush parties were held before "Hell Week" and during the "week" itself, the twelve pledges and the brothers had a very enjoyable time. On initiation night the pledges received the third-degree into the fraternity with "due honors."

Many social affairs were held with the pledgee formal being the big affair of the year.

"We are the Sigma girls" is a popular phrase heard on the Bryant campus. Having the sole distinction of being the only national sorority here, this year marks its 50th Anniversary.

To start the season, a welcome buffet supper was given in honor of the pledges. The Pledge Formal was later held together with Phi Sigma Nu.

Sigma's dance, "Pandemonium," was as usual a huge success with the distribution of Hawaiian orchids being the feature attraction. The two outstanding informal functions—the Slumber Party and the Splash Party—went off with a bang. Many a laugh was had by all who attended.

All the girls pitched in wholeheartedly on this year's local project, which consisted of making dolls for homeless orphans. "Co-operation plus" is the main reason why real sisterhood has prevailed in Sigma Iota Chi and why this season has been one of its greatest and most successful.

The Brothers of Tau Epsilon in 1952-53 lived up to the highest standards of a fraternal organization by continuing its advocacy of Help Week. Following the initial smoker and Rush Party, the Pledges of Tau Epsilon gave a much appreciated hand to some of the needy families of Rhode Island by cleaning, painting and almost redecorating their homes.

For the second time, we won a trophy for being the campus organization to contribute the most blood to the Red Cross during the blood drive at Bryant.

In the latter part of October, Tau Epsilon and its sister sorority, Kappa Delta Kappa, gave a Halloween Party for the Children at the State Home.

The month of October also saw the Columbus Day Hop an unusual success as a dance. A Splash Party was held and all students were invited.

Continuous work during the year by the members of the Alumni Committee made Tau Epsilon's Alumni Reunion its usual success.

Enthusiastic, helpful, hard-working, united—that is the KDK sorority on Bryant Campus. This year has proven all of these characteristics to be appropriate and to be deserved by the sorority.

KDK held two dances, "Sno' Flake Hop" and "Hearts and Flowers Ball," which were both successful. KDK's basketball team is known for its constant perseverance. Pledgees were welcomed into the sorority officially on March 1 at the Frog Farm where the annual Pledgee Banquet was held. A formal at the Rhode Island Yacht Club proved to be one of the gala events of the year. The members of KDK yearly lend forty pairs of willing hands to the underprivileged children of Rhode Island. Halloween, Christmas and Easter arrangements were made to cheer children at the orphanage. The sorority upheld the statement "It's a pleasure to give." Co-operating with Tau Epsilon, the brother fraternity, KDK has enjoyed many a memorable occasion.

Its extensive alumnae proves that graduation does not sever sorority ties. Co-operation has resulted in success in 1953; co-operation will earn success in years to come for KDK.

Sigma Lambda Pi Fraternity went all out this year in making their annual Sno' Ball one of the most successful in years. Lovely Claudia De Simone of Providence, sponsored by Kappa Tau was chosen Sno' Queen for 1952.

The brothers held their annual pledge formal at the Holiday Inn in Attleboro, Massachusetts. It was held in conjunction with Beta Sigma Gamma Sorority. Eight pledges were accepted into the fraternal bond after a hectic hell week—initiation—and pleasure drives.

A "Rush" party, held in conjunction with our brother fraternity, Sigma Lambda Pi, started the fourteenth year of activities for Beta Sigma Gamma. To end up a fun-filled week, an informal initiation and "Pizza Party" was held.

The Pledgee Formal held with our brother "frat" was one of the main highlights of our calendar year. The beautiful Holiday Inn was the setting for this affair. Shortly after that, the annual "March Madcaps" dance was held. Everyone enjoyed the gay paper hats, and the festive atmosphere that prevailed.

A new project was added to the activities of Beta Sigma Gamma, that of participating in a charitable function in the community annually. Almost before the girls realized it, they were laying plans for their weekend at a nearby summer resort.

To sum up the two wonderful dances, the beautiful formal, the cozy get-togethers, the warmth of our "project," the inspiration of our installation banquet, the riotous "Help (formerly Hell) Week," and the sisterly loyalty and lasting friendship of the sisters of Beta Sigma Gamma can only be seen and felt . . . not stated.

Our purpose is to establish closer relationships between members of the fraternity and to strive to eliminate racial, religious, and color discrimination.

Chi Gamma Iota has held two successful Pledge Formals, a chicken party, an outing for underprivileged children of Rhode Island, a successful rummage sale with its sister sorority with the proceeds going to a worthy charity, two installation banquets, and many other social functions during the year. During "help week" Chi Gamma's Pledges cleaned up an orphanage. Chi Gamma also participated in Stunt Night.

In sports Chi Gamma Iota's basketball team reached the finals for the Day League Championship. Chi Gamma's bowling team placed third in the bowling league.

The youngest of the Bryant sororities, Phi Upsilon, since its founding in April of 1951 by its first president, Celeste Ignacio, and the other first officers, with the help of the acting director of Student Activities, Robert A. Belanger, has joined up with Chi Gamma Iota in its many charitable projects, and distinguished themselves last year when they donated their second-prize Stunt Night money of \$25 to the College Library Fund.

Kappa Tau, the youngest fraternity on the campus, has become one of the largest and leading fraternities at Bryant College.

The purpose of this organization is to create a closer relationship between participating members in the hope of furthering the social and mental development of the members.

The Bryant Dancing Contest in connection with Kappa Tau's annual Thanksgiving Day Dance has become a new social event among the campus activities. On December 13, Kappa Tau's sponsored Queen was proclaimed Snow Queen of the year. Another successful dance, Last Chance Dance, was held in January. The Pledge Banquet, several stag parties, and many beach parties rounded out Kappa Tau's social activities.

Kappa Tau, extremely active in sports, took the championship in basketball in the intramural league. The fraternity also ranked high among the leaders in intramural bowling and softball.

The girls of Alpha Phi Kappa Sorority brought great credit to their sorority this year for carol-singing at the Home for Aged Women, for contributing a Thanksgiving Day basket to a needy family, and for conducting a successful Halloween Dance.

This year Alpha Phi Kappa joined the Girls' Intramural Basketball League. The team was successfully led by Gail Ross, captain.

During this past school year A.P.K. has held successful dinner dances, pledge formals, rush parties, and social events.

Under the leadership of their president, Venita Capuano, the girls worked for their purpose: to promote true friendship and to help in the further development of the girls, socially, mentally, and scholastically.

Beta Iota Beta Fraternity was founded in 1944 by a group of World War II veterans who had common objectives in mind. Those objections were to enlarge fellowship and good sportsmanship, to exhibit a due consideration for the opinions and feelings of others, to maintain a perfect command of temper in all their endeavors, and to seek for truth in all.

From 1944 to the present time, the brothers of Beta Iota Beta have kept these objectives in mind. In every task they have undertaken they have strived to live up to the standards set forth by their predecessors.

Outstanding social events sponsored by BIB this year include two pledge formals, two smokers held in the Bryant Auditorium, and the Blast and the May Queen Dance, both held in the Auditorium.

Sigma Iota Beta has been active on the Campus for seven years. Its popularity and participation in the school activities were shown by the many successful events which have taken place throughout the calendar year.

When November rolled around SIB held its annual dance, "Autumn Nocturne." After many tedious yet fun-filled hours spent for its preparation, a happy time was had by all.

With Christmas coming on, the sorority prepared to sell Xmas cards and stationery. Everyone really "pitched in" and worked hard to make the project a success.

Seventeen tired but vigorous pledges of SIB helped to make "Hell Week"—"Help Week" at Bryant.

To complete a hard but enjoyable first semester, Sigma Iota Beta held its formal initiation dinner-dance at the Dreyfus Hotel with their brother fraternity.

With the same spirit and vitality shown in the outgoing semester, the sisters are looking forward to another successful term.

The oldest fraternity on the campus, Beta Sigma Chi has maintained its position as one of the leading fraternal organizations for a number of years. Beta's interest in social, scholastic, and athletic functions has also been apparent during the last year.

The brothers showed their interest in civic activities through their sponsorship of a party given during the Christmas season for underprivileged children. The annual Pledgee Installation Banquet was outstanding as was the pledge formal held jointly with its sister sorority Sigma Lambda Theta. The superior athletic skill of the Beta members was shown not only by the softball and bowling teams, but also by the basketball team, which was in very high standing at the end of the season.

Our purpose is to promote better understanding, co-operation, and friendliness among the young women dormitory residents.

This is the sorority formed to bring out-of-town dormitory residents closer together and to help them enjoy dormitory and college life as a whole. Our annual Easter Egg Hunt for the underprivileged children is one of our activities, with the pledge formal serving as the highlight of our social calendar.

The Student Senate is composed of the class officers of the College as well as the representatives of the student organizations and clubs. The Senate is directly responsible to the Director of Student Activities, who is the advisor for this group.

The Senate is the most important of the student organizations; since, through it the desires and expressions of the student flows to the proper college department, and through it flows the decisions made by itself and the College concerning student activities.

The purpose of the Greek Letter Council is to co-ordinate and correlate the efficient functioning of the Greek Letter societies on the Bryant campus and to bring about understanding among Greek Letter Organizations.

Throughout the year it concerned itself with promoting the value of the Greek Letter Organizations and promoting that part of the student activities program which depends upon the Greek Letter Organizations. Foremost in the activities continued by this council was the Greek Letter Formal held in June in the ballroom of the Biltmore Hotel.

The purpose of this organization is to give the members an opportunity to help each other as much as possible and to keep the Business Teacher Training students in touch with each other after graduation.

The Business Teacher Training Society, which carries the fraternal name of Beta Chi Tau, was founded in 1938 by Dr. F. Douglas Hammond. A true professional society in nature, this organization provides for instructive and educational forums for its members throughout the college year. Speakers from various phases of the educational world acquaint the teacher-training students with the problems and improvements in the educational field.

The Key, honor society of Bryant College, was formed in 1940, with Mr. Allan as advisor. To be eligible for membership, students in the School of Business Teacher Training must be on the Dean's list for six marking periods or four consecutive marking periods. Students in the Schools of Secretarial Science and Business Administration must be on the Dean's list for four marking periods or three consecutive marking periods.

Membership in this organization is a privilege for which Bryant students strive, because it is convincing proof of scholastic standing and ability.

During the 1951-52 college year, the "Masquers" presented one major production entitled "The Happiest Years." The two hour comedy was presented for the student body on two evenings in February and was presented for the alumni during Homecoming Week end in May.

Due to lack of material and other unforeseen difficulties, the 1952-53 college year saw the "Masquers" unable to present a major production.

Plans for the future have been formulated, they include the use of both radio and television.

The purpose is to promote brotherhood on the campus among the four religious organizations. This council was the sponsor of four religious assemblies. It planned for Brotherhood Week activities for the last full week of March. At the conclusion of this week a dance was held, and the proceeds were donated to charitable organizations of the four faiths.

The purpose of the Canterbury Club is to further the work of England and know the members of this church on the Bryant Campus.

The Canterbury Club was founded in 1950 under the leadership of Herman MacDonald '53 and Peter Belanger '52. Outstanding work was accomplished along religious lines, such as donating to St. Dunstan's School and St. Mary's Home, participating in Bryant's Brotherhood Week, holding communion services, and joining with Brown University's Canterbury Club for meetings.

The Newman Club, Catholic faction of the Inter-Faith Council, entered this academic year with the largest membership in its history.

Its purpose "to promote spiritual, intellectual, and social interests," was fulfilled at many Newman meetings.

Newmanites, this year, were privileged to hear outstanding speakers, such as: Father Kelly, who spoke on "Love and Marriage;" Mr. Charles Jones, noted for his work with Alcoholics Anonymous; and Father McCormack, who spoke on "Marital Relations." Besides these lecture meetings, Bryant Newmanites attended several Communion Breakfasts with other Rhode Island chapters.

In its endeavor to cement more closer inter-chapter relations, the Bryant College Newman Club participated in regional meetings with Newmanites from Brown University, Pembroke College, and the University of Rhode Island.

During "Brotherhood Week," the Newman Club sponsored a lecture program including two priests and one student speaker.

A new addition to Newman's social life was the "First Annual Gaelic Conclave," at St. Patrick's Day social attended by members and guests.

To unite the members of the Jewish faith within the student body into a cultural and social organization is our purpose.

At bi-monthly meetings this organization planned for "Brunches" held at the Pembroke College Field House; buffet suppers that were held at the Bryant College Field House; meetings at which guest speakers addressed the group and their guests; and activities in co-operation with Brotherhood Week.

The purpose of the Bryant Christian Association is to promote the religious interest of students; to encourage Christian ethics in all student relationships; to promote Christian fellowship among the students.

With its usual membership ranging between 20 and 30, this four-year-old association is a member of the campus Interfaith Council; but it also scheduled individual meetings with church groups, meetings with invited guest speakers, and Christian Vesper Services in the College "Gym."

Organized in 1949, the I. R. C. has become an important member of the independent clubs on campus.

In addition to sponsoring such programs as World Affairs Week and attending conferences at the University of Vermont and Harvard, the group has had numerous speakers and movies to promote the discussion of international affairs.

The Genie Fund, originated by the class of 1952, has gained considerable importance on the campus; and it is expected that future semesters will make a permanent tradition of this most worthy student activity.

Originated by Robert Gaudette '52, the Genie Fund is a sum of money accumulated by each successive semester for the purpose of assisting some member or members of each graduating class to further their education in a graduate school of their choice. The first recipient of this scholarship is Edwin Geffken, February '53, who will enter New York University in September of this year.

STRING ENSEMBLE

Since its organization in the fall of 1952, the Ensemble has lent itself to many school functions and activities.

The original purpose for the members of the Ensemble was a means of combining their musical talents for their own enjoyment. However, after the outcome of their combined efforts and realizing the need for a musical group on campus, the Ensemble offered to supplement the "little spark" that was missing from the assemblies and various other functions.

The members of the group hail from the following cities and states:

HAZEL SIMPSON, St. Johnsbury, Vermont
 JOAN SCHULTZ, Schenectady, New York
 SALLY WEIGEL, Salem, New Jersey
 LOUIS SALK, Providence, Rhode Island
 LLOYD KAPLAN, Pawtucket, Rhode Island
 EDWARD VYBIRAL, Long Island, New York

Our best wishes are extended to the two graduating members of the group—Hazel Simpson and Lloyd Kaplan.

The members of the Ensemble wish to express their deep appreciation to Professor Ralph S. Handy for his endless efforts in encouraging the efforts of the group to success.

The purpose of the Varsity Club is to take charge of equipment, transportation, publicity and gate receipts of the Varsity basketball team and tennis team.

This year we organized intramural tennis and conducted "Sports Night" and many pep rallies throughout the basketball season.

On July 11, a dance was held, and proceeds were used to obtain awards for outstanding teams and players of the intramural softball league.

Revealing campus news and expressing campus views are the chief purposes of the "Archway." Published biweekly, the school newspaper is composed, organized and edited by the students themselves under the guidance of Assistant Professor Arthur K. Smith. As one of the most active organizations on the Bryant campus since its beginning in 1945, the "Archway" has won many national awards in recognition of its accomplishments in the field of college publications.

Locally it sponsored and directed a student election for President last November, and has been instrumental in promoting and publicizing campus activities such as the Varsity Club, basketball team, and Bryant Ensemble throughout this past year.

An informal party is held at the end of each semester for the entire staff at which time "Archway" pins are presented to the graduating members.

Softball Workouts Begin; Field to Be Overhauled

Dr. Jacobs' Personal Purchase Expands Campus Grounds

Facelifting Job Starts This Week

The Bryant College athletic field will be put into good playing condition, Mr. E. G. Jacobs announced, and will be ready for the opening day of the season.

Contractors have been engaged already and will begin work this week. The job of preparing the field is too great to finish completely this semester. For the present, the infield will be scraped and graded and the stones will be removed from the outfield.

Beginning in August, the field will be closed for a six-months period, at which time a complete overhauling of the grounds will take place. The whole field will be planted. Plans are being made to hire a watchman to protect the field.

The entire job of renovating the field will be finished before the beginning of next semester's season.

ACP Rates Archway 'First-Class' Among College Newspapers

The Associated Collegiate Press, University of Minneapolis, critical service for college newspapers throughout the country recently rated the Bryant Archway "First-Class."

The Archway was given an excellent rating for coverage of news, human interest, and attractive mechanical layout. ACP highly complimented the sports department for its fine job of interpretation and presentation; and also for complete coverage of sports events.

The Archway is especially proud of this rating since only seven awards of this type were made.

The citation, which is now being printed and lettered, will be here in a few weeks.

I.R.C. Visits Harvard; Second Week-End Away

Seventeen members of the International Relations of Bryant College spent last week-end at Harvard University.

The group left here Friday afternoon and arrived at Harvard in the early part of the evening. Following registration they attended a lecture which consisted of three speakers. The main topics for discussion were "The Reserve Powers of the U. N."; "Functional Aspects of the United Nations"; and "American Conservation."

Saturday morning the students attended the keynote address by John V. P. Lassoe, Jr., Executive Director CCUN; Hugh J. Schwartzberg, National

President's Plot Given For Student Use

Doctor Henry L. Jacobs, President of Bryant College, last Wednesday made a personal purchase of 22,000 square feet of land at the corner of Young Orchard Avenue and Cooke Street. This plot now completes this part of the Bryant campus for one

square block bounded by Hope Street, Young Orchard Avenue, Cooke and Benevolent Streets, with the exception of two dwellings.

The land was purchased from J. Carleton Bagnall of Barrington, Rhode Island.

Although no building is planned for the land, Doctor Jacobs plans to tender it to the college for campus purposes only. The grounds will be prepared shortly and students will have the privilege of using this extension to the campus.

BIB Busy Planning May Queen Dance

It's spring—when a young man's fancy turns toward love; but the rothors of Beta Iota Beta haven't me to give this a thought. They're busy formulating plans for the May Queen Dance on May 2, which been an annual affair for BIB 1948.

The dance committee is headed by Dick Hayes and Charles Donelthers on the committee are: Phil, Don Lepine, Phil Sour, and Red Mauger. Music for the dance will be supplied by the Marco Quintet. Lou, who is a student in the IV division, has been the tenor saxophone since he organized his quintet about five years ago.

The committee is also considering several other plans that will contribute toward making this year's May Queen Dance the best ever.

Phi U Prexy Gets Rosewood Gavel at Birthday Party

Phi Upsilon, youngest sorority on the campus, held a party to celebrate its second birthday at the Cranston Club on March 27. Dancing and refreshments were the order of the evening. Ernie Johnson, president of Chi Gamma Iota, presented Joyce Andrews, Phi Upsilon prexy, with a rosewood gavel in honor of the occasion.

Mr. Harris nearly stopped the party when he requested "something peppy" in music instead of that "slow stuff." The floor was immediately cleared—leaving Mr. Harris and Mrs. Messer dancing to "Jambalaya."

After a buffet lunch, everyone sang "Happy Birthday" to Phi Upsilon. Then the huge, green-and-gray-decorated cake bearing the sororities' greek letters was cut by

Warmest Congratulations and the Best of Luck

*... to you, upon your graduation
from Bryant College.*

★★★ *What are your plans?*
Teaching? Business? Whatever field,
we are anxious to help you in your
progress.

★★★ *If you teach* let us intro-
duce you to the many Gregg books,
complimentary teaching aids, and
services available for shorthand, type-
writing, bookkeeping, secretarial prac-
tice, and all other business subjects.

★★★ *If you plan a career in
business* make Gregg Shorthand
your steppingstone to better jobs and
better opportunities.

★★★ *For your administrative
problems,* the combined publications
of Gregg and McGraw-Hill cover the
entire field of business and industrial
organization and management.

★★★ *In teaching or in busi-
ness, rely upon Gregg to assist
you.*

again,

Good Luck!
